

About LD OnLine

LD OnLine is the world's most visited Web site on learning disabilities. We use the power of the Internet to disseminate research-based information about learning disabilities to parents, educators, and people with LD or ADHD.

Comprehensive Coverage

We offer the latest research articles on learning disabilities and follow them up with practica information, tips, advice, and resources you can use immedi-

Expert Advice

Rick Lavoie, Dr. Larry Silver, and Matthew Cohen cover classroom, medical, and legal areas. They answer guestions from parents and teachers each month.

Personal Attention

We provide personal, confidential, and expert advice in response to the hundreds of emails we receive each month.

Active Community

Parents and teachers share advice and information 24 hours a day on our vibrant discussion forums.
